### PRODUCT NAME

## MURRAY

### KEY FEATURES

- Steel toe cap & midsole
- Waterproof
- Extra Wide Fitting
- Added PU toe protection

### ITEM DESCRIPTION

DeWalt Murray is a waterproof, hiker style work boot. Murray has a leather and mesh upper and is manufactured with a waterproof and breathable bootie, steel toe cap and steel midsole protection. The boot has been made with a wider last to give a generous wider fitting. PU comfort insole. Padded tongue and collar for added comfort. The PU/Rubber outsole is certified to the best slip rating, as well as achieving resistance to fuel oil and the ladder grip status, which is driven from the firefighters certification. PU toe guard gives added protection to the toe area.
