KEY FEATURES

- Lightweight Aluminium Toe Cap
- Pro Comfort Footbed
- Water-Resistant Leather Upper
- Certified to SR Slip Resistance

ITEM DESCRIPTION

DeWalt Reno is a water-resistant, lightweight honey nubuck work boot. The Reno is the sister product to the DeWalt Kirksville. It is manufactured with an aluminium toe cap, composite midsole and has a padded tongue and collar. The Reno boasts a lightweight Phylon/Rubber Pro-Lite outsole which is tested for resistance to fuel oil, and is also certified to the best slip rating. Equipped with the DeWalt Pro Comfort insole, with built in arch support, the boot delivers all day comfort.
