

# HAT TH THINSULATE™ LINED HAT

## 100% ACRYLIC HAT WITH THINSULATE™ LINING

One size fits all, 100% acrylic shell with a 40 gram 3M™ Thinsulate™ lining. The extremely fine microfibrils help trap air and block radiant heat loss, whilst allowing moisture to escape.

Each hat comes with a printed swing tag and barcode for retail display.

Minimal off-centre Traega® logo provides space for personalisation and branding.
