## STORAGE AND MAINTENANCE

We recommend storing Chemmaster garments in their original packaging, away from UV sources. After use, please follow the care instructions provided on the label. To remove any contamination, rinse the Chemmaster clothing with cold water and allow it to drip dry in a shaded area, away from UV sources. It is advisable to store Chemmaster clothing in a cool, dry, and clean environment.

**NOTE:** For hygiene purposes, it is recommended that the garment be worn by the same individual.
