

Chemsol

Boilersuit with hood

Chemsol garments are crafted using a softer, more tactile 320gm² EPVC/Polyester fabric, offering both durability and exceptional chemical protection. A lighter and more flexible alternative to traditional PVC garments.

KEY FEATURES

- ▲ Ring-pull zip for easy donning and doffing when wearing gloves
- ▲ Double storm facing stud closure for increased protection
- ▲ Helmet-compatible hood with elasticated drawcord adjustment
- ▲ Raglan sleeve for ease of movement
- ▲ Elastomised PVC coated polyester for flexibility and comfort
- ▲ Stitched and high frequency welded seams
- ▲ Garment can be reused if not contaminated or damaged

4XL	179-184	138-146	128-136	81

STORAGE AND MAINTENANCE

We recommend storing Chemsol garments in their original packaging, away from UV sources. After use, please follow the care instructions provided on the label. To remove any contamination, rinse the Chemsol clothing with cold water and allow it to drip dry in a shaded area, away from UV sources. It is advisable to store Chemsol clothing in a cool, dry, and clean environment.

NOTE: For hygiene purposes, it is recommended that the garment be worn by the same individual.

CHEMICAL RESISTANCE DATA

For chemical permeation data, please contact our sales department at sales@globusgroup.com.

COMPLIANCE STATEMENT - UK (UKCA)/EU (CE)

Product conforms to the requirement of: UK Regulation 2016/425 on PPE, brought into UK Law and amended & Regulation (EU) 2016/425 of the European Parliament and of the Council as Personal Protective Equipment (PPE).
