

DEWALT®

PRODUCT NAME

MENTOR

KEY FEATURES

- Wide Fit
- Waterproof & Breathable
- PU/Rubber Outsole
- Scuff Cap

ITEM DESCRIPTION

The all-new Mentor, built with a waterproof and breathable membrane to keep your feet dry and a steel toe cap and midsole to keep them protected at all times. A non-clogging PU/Rubber outsole with sure grip, new ladder grip for extra safety and tested for heat resistance up to 300 degrees celcius. The boot is classed as a wide fit product. Scuff cap to create extra durability on the toe. Full grain nubuck leather upper. Fitted with a PU footbed for that underfoot comfort.
