## Product information

These slim fit stretch pants offer protection against the thermal hazard of an electric arc. Made from the soft and stretching Bizflame 88/12 stretch fabric and finished using garment wash, the FR stretch pants offer both protection and comfort.

### Bizflame™ 88/12

The fabric is soft yet hard wearing and the quality of the construction is excellent. The generous fit contributes to the overall appeal of this winning garment.

### Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
